

We have a wide range of interventions that contribute to closing this attainment gap. The funding allows us to:

<ul style="list-style-type: none">• Employ additional teachers allowing for smaller group sizes in English and Maths
<ul style="list-style-type: none">• Embed a data tracking system that allows for targeted intervention in English, Maths and Science and ensures that all teachers know who their Pupil Premium students are
<ul style="list-style-type: none">• Deliver strategies for use in the classroom that supports student learning and introduce class profile plans to ensure that all teaching staff know their Pupil Premium students and can effectively plan strategies for their attainment. This strategic approach ensures that the needs of each learner are being met within the classroom rather than relying solely on additional interventions
